

## Map and Projects Report Guide

The following section includes maps for state highway and local road projects. The first map is the highway map, followed by the listing for the projects that are depicted on the map. Here is a definition of the fields on the project report.

DESIGN ID	The number assigned to the design phase of the project
CONST ID	The number assigned to the construction phase of the project
TITLE	Description information generally referring to map identifiable locations in cardinal direction (i.e., from South to North and from East to West)
PROJECT MANAGER	A staff member from the Project Development Section who oversees the designer of the project
CONST YR	The year the project will be constructed
HIGHWAY	The STH or USH of the project
LIMITS	A description that further defines where the project is located
PROJECT NOTES	A field that provides more information about the project
LET DATE	The date the project is let for bids
LENGTH	The length (in miles) of the project
TYPE OF WORK	Definition of highway improvement projects
